# \$11 million life insurance Surprise Beneficiary Claims

You may receive a notice something like this...

My late client, an international businessman and life insurance holder, passed away about 5 years ago, leaving a cash value benefit of \$11 million and no surviving relatives.

The policy will be canceled in six months without a beneficiary. Since you share the same last name, I seek your consent to present you to the insurance provider as potential heirs to receive the payout.

If you fall for this scam, they will ask for a prepayment under the pretext of "covering the taxes" before the payout can be made... and will keep you paying...  
...as long as possible.

### Prevention TIPS

- Fraud Aware does NOT support lottery-type "wins."
- If it's "too good to be true," it probably is.
- Scammers are not your friend.
- Scammers are HARD & RUTHLESS... & will financially destroy you... if you let them.
